## Science East

Science East arrived at Gagetown School on Thursday, May 10<sup>th</sup> for the day and evening. Michael and Karen involved the students in wonderful science based, hands on learning activities. The students and teachers had a great time learning new and exciting things. Science East also stayed for the evening to do demonstrations for parents, friends and community members in the gym. Student work from the year was also on display for everyone to enjoy.

Here are some comments from our students about Science East coming to visit our school:

*This week at school was wicked because we introduced ourselves to two citizens, Karen and Mike. We had a challenge to get a Styrofoam ball into a container from 1 meter away with a contraption we made from recyclable materials.*

Aaron Grade 3

*This week at school was amazing. The grade 3-5's went to the library and we got to meet people from Science East. They assigned us a difficult challenge to make a machine that can pick up a ball a meter away and put it in a bucket. My team was Kane, Connor and Vanessa. Our contraption wasn't as great as we thought. My team didn't win but we sure had a great time with Science East!*

Helen Grade 3

## Middle Level Car Wash

Middle Level students would like to thank all of the people who came out to help support them on Saturday. All money raised goes toward middle level year end activities.

## Hot Lunch

The hot lunch program will soon be winding down for another school year. The last day for wraps is going to be on Thursday, May 31<sup>st</sup>. The last day for pizza will be on Monday, June 4<sup>th</sup>.

## School Clothing

Just a reminder that if you are ordering school clothing for your child please have the orders to the school by Friday, May 18<sup>th</sup>. Cheques are to be made out to "The Trophy Man Ltd."

## Jump Rope for Heart

If you have not sent in your Jump Rope for Heart forms, please return them to your child's homeroom teacher as soon as possible.
